Recycling Procedures for Town of Sumpter

All recyclables should be placed in clear plastic bags. The glass, tin, aerosol cans, and aluminum can be placed together in a clear plastic bag.

Recyclables to be handled as follows....

1. **Plastic** - #1 -#7 rinsed, caps removed – put in bag. No plastic shopping bags. Items which can be tied together, such as plastic milk cartons, may be placed next to bag.
2. **Glass** (all colors) – rinsed, caps removed – put in bag.
3. **Aluminum and tin** – rinsed and placed in bag
4. **Aerosol cans** – caps off and placed in bag
5. **Newspaper** – to be bundled and tied securely – no more than ten inches high or 40 pounds
6. **Magazines** – to be bundled and tied securely – no more than ten inches high or 40 pounds
7. **Cardboard** – must be **flattened** and tied securely – no more than ten inches high or 40 pounds or 3 ft x 3 ft
8. **Used oil and oil filters** and oil absorbent materials – check with your local automobile mechanic or car dealership. Please do not throw it in garbage. DNR has banned these materials from the landfills.
9. **Electronics** – There is a charge for these items. You may bring them to Tim's Trucking, or we can pick them up from the residence (there will be a collection fee).
10. **Appliances, furniture, batteries** (lead acid) etc – you must contact Tim's Trucking to arrange for pick-up. There is a separate charge for these items, which will be billed to the proper owner.

Thank you for your cooperation. Any questions or special items to be picked-up, please contact Tim's Trucking LLC at (608) 643-8760, Monday through Friday between 8:00 AM and 5:00 PM.
